

1. OVERVIEW OF CLEANING

Metallic surface usually forms an oxide film during the process of storing as it comes in contact with various pollutants that stick to it. Metal surfaces with rust or having pollutants attached to it exert a bad effect in plating, coating or chemical treatment etc. As a pre-process treatment, cleaning of these metal surfaces is a must, which has to undergo process like plating, coating or chemical treatment.

2. PRODUCT INFORMATION

2-1. NEAT TYPE

PRODUCT	APPEARANCE	SPECIFIC GRAVITY (15/4 C)	FLASH POINT (°C)	APPLICATION & PROPERTIES
YBI BELCLEAN SWD-7500	Colorless transparent	0.75 ± 0.02	42	<ul style="list-style-type: none"> - Easily removes dirt on complicated parts. - For removing grease, neat type forming oil, cutting oil, drawing oil and anti-rusting oil on rubber, aluminum, titanium alloy, ferrous and non-ferrous parts. - Application dipping and ultrasonic cleaning.
YBI BELCLEAN SWD-5020	Colorless transparent	0.74 ± 0.02	50	
YBI BELCLEAN SWD-4500	Colorless transparent	0.79 ± 0.02	76	
YBI BELCLEAN SWD-110	Colorless transparent	0.81 ± 0.02	100	

2.2 WATER SOLUBLE TYPE

PRODUCT	APPEARANCE	pH (5%)	METHOD	TEMPERATURE (C)	APPLICATION & PROPERTIES
YBI BELCLEAN W-100	Light yellow transparent	9.83 ± 0.5	Spray, Ultrasonic	50	<ul style="list-style-type: none"> - There is no residue after washing. - Prevents rust on the engine parts. - Low cost.
YBI BELCLEAN W-91V	Light yellow transparent	9.80 ± 0.5	Spray, Ultrasonic	60	<ul style="list-style-type: none"> - Good cleaning property. - There is no residue after washing. - Prevents rust on the engine parts.
YBI BELCLEAN WC-90S	Light yellow transparent	10.1 ± 0.5	Spray,	60~80	<ul style="list-style-type: none"> - Good cleaning property. - Protects from rust. - Low foaming.
YBI BELCLEAN WC-333	Light yellow transparent	9.4 ± 0.5	Spray, Ultrasonic	60	<ul style="list-style-type: none"> - Applicable for parts that require membrane purity. - There is no residue after washing.
YBI BELCLEAN WCF-188A	Colourless	12 ± 0.5	Floor washing	Room temperature	<ul style="list-style-type: none"> - Washes the factory floor, various equipments and non-ferrous metals.
